The next generation begins here...

The EnhanceBOX E4 is the first multi-drive desktop enclosure to integrate the latest advances in next generation SAS/SATA disk interfaces, Multi-lane and Port Multiplier host connectivity. A Pioneer and leader in hybrid I/O technologies, Enhance Technology introduces the EnhanceBOX E Series (E4 & E8), a host card (HBA) dependent, desktop storage system product line, developed for OEM, VAR, & storage solution providers. Constructed with aluminum material and hot-swappable cooling fan, the E Series is the coolest storage system on the market with a host of hot-swap components, empowering users with capabilities normally found in enterprise-class SCSI systems.

Increase capacity and availability...

The E Series was built on the latest I/O technology, **eSATA (SA)**, **Multi-lane (ML)**, **Mini-SAS (MS)**, and **Port Multiplier (PM)** connectivities, for multiple-disk configurations and superior airflow. The Enhance Technology E Series comes with highly reliable, locking cable/connector that combines four (4) high capacity SATA or high reliability SAS disks to the broadband high performance computing environments. Available in 8 or 4-port configurations, the E Series is the only and coolest external storage array helped resellers and integrators to offer more cost effective storage solution to the end customers. The E Series is getting warm welcome in Audio/Video Engineering, Industrial and Server Computing, Personal Gaming PC, R & D facility, etc.

Port Multiplier (PM)

Multilane (ML)

eSATA (SA)

Mini-SAS (MS)

Key Features...

- Aluminum material construction
- Built-in SAS/SATA II compatible backplane
- Four hot-swappable HDD drive trays with individual keylock
- One hot-swappable enclosure fan facilitates regular maintenance
- One thumbscrew enabled front door with optical LED indicators
- Fan-fail LED and alarm with mute button
- Power & Status LED indicators on the door Patent Pending

Specifications

Models Description

- **E4-ML** Compact Desktop 4 Drive Multilane-Enclosure
- **E4-SA** Compact Desktop 4 Drive SATA-to-eSATA Enclosure
- **E4-PM** Compact Desktop 4 Drive SATA-to-Port Multiplier Enclosure
- **E4-MS** Compact Desktop 4 Drive Mini-SAS-to-SAS/SATA

Disk Support

- **E4-ML** 4Drive SAS / SATA Disks with Keylocks
- **E4-SA** 4Drive SATA Disks with Keylocks
- **E4-PM** 4Drive SATA Disks with Keylocks
- **E4-MS** 4Drive SAS / SATA Disks with Keylocks

Cooling

- Everflow Model F 128025BH brushless fan
- DC 12V, 0.19 AMP

Operating Temperature

- 32F ~ 131F

Non-Operating Temperature

- -4F ~ 158F

Power Supply

- Single 180 Watt
- AC Input: 100-240V, ~2A, 47~63Hz
- Output: +12V/5A +5V/5A

Dimensions

- D 12.25" x W 5.75" x H 7.5"

Weight

- 13 lbs (without disk drives)"

Material

- **Face Plate Bezel:** Sturdy ABS Plastic
- **Housing & Tray:** Aluminum alloy

Warranty

- 3-Year Manufacturer Warranty
